

## **AIA San Mateo County (AIASMC) 2018 Scholarship**

The AIASMC is pleased to announce the **2018 Academic Scholarship Awards Program**. The awards program is intended to encourage and assist students graduating from high school as well as students already enrolled in college in their pursuit of a degree in architecture at a college or university level in an accredited architecture program. This expresses the Chapter's commitment to education and the future of our profession.

### **Awards**

This year's scholarship will be awarded to a student or students actively pursuing an education in architecture. More than one candidate may be selected depending on the quality of the submissions. AIASMC may also decide not to distribute scholarship funds, depending on the quantity and quality of the applications submitted. Scholarship money awarded must be used for tuition.

### **Eligibility**

- Candidates must be a resident of San Mateo County OR a full time student in a San Mateo County school.
- Candidates must be currently enrolled OR accepted to enroll as a full-time student enrolled in a professional degree program accredited by the National Architecture Accrediting Board (NAAB).
- Scholarship award will be contingent on candidate's proof of acceptance/enrollment to a university or college with an NAAB accredited architecture program.

### **Basis for Selection**

- General Academic Performance (GPA)
- Creativity and Expression (portfolio/creative materials)
- Commitment and interest in the profession of architecture (written essay)

\*Please note: Financial need is not a criterion for this award
